### **Fáilte ón Uachtarán**

This 8th National Youth Conference of Fianna Fáil takes place at a time when our country and its people face a great challenge and a great opportunity.

The challenge is a young population that is growing four times as fast as the average of the European Community and a labour force that is growing more than twice as fast as the Community average.

The opportunity lies in the measures we must take as a nation to recover our economic strength and achieve our full economic and social potential.

We can link these two — the challenge

and the opportunity — to provide a better future for all our people.

"The Way Forward", the National Economic Plan, shows how this can be done. It is no service to the Irish people, and in particular to the young people, to pretend that there is some other way of doing it.

But it can be done, and the Fianna Fáil Party are the ones to do it. Fianna Fáil has always been the party through which the consensus of the Irish people on fundamental questions has found political expression. It was so in the time of our founder Eamon de Valera and it is so today.

However, nothing great was ever achieved without discipline and effort. The Fianna Fáil Party look to you in Ógra to generate that discipline and effort. I am sure there will be an abundance of these qualities at the 8ú Comhdháil de Ógra Fianna Fáil and I wish the Comhdháil every success.

Tá fhios agam go mbeidh fonn ar Ógra, na daoine is fearr a thuigeas ceard is brí agus beatha don náisiúntacht, bheith ar tosach imeasc siúd a bheadh ina sciath cosanta ar thír na hÉireann.

## Rules Governing Procedure of the Youth Conference

---

**PROCEDURE:** The ruling of the Cathaoirleach, or in his absence the presiding Leas-Cathaoirleach, on all matters of procedure is final.

**RESOLUTIONS:** No resolution may be moved which does not appear on the Clár. A resolution may be moved only by a delegate from the Coiste Ógra which has submitted it, or which has submitted a similar resolution. If, on a resolution having been called, no delegate from the Coiste Ógra which submitted it, rises to speak, the Youth Conference will proceed to the next business, unless the Cathaoirleach decides to permit some other delegate to propose the resolution. Other delegates may speak to a resolution if allowed by the Cathaoirleach.

**SPEAKERS:** The proposer of a resolution and speakers to a resolution are allowed three minutes. The Cathaoirleach has the right to determine the order in which delegates may speak and shall endeavour to give preference to delegates who had not previously spoken on other resolutions. The Cathaoirleach may decline to allow a delegate to speak, if that delegate has already spoken on other resolutions. The Cathaoirleach may decline to allow a delegate to speak, if that delegate has already spoken twice on previous motions. Every delegate wishing to speak should take his or her place near the rostrum five minutes before he or she expects to be called on to speak. Every delegate on rising to speak must first announce his or her name and the name of his or her Constituency. A speaker must cease speaking on the striking of the Cathaoirleach's gong.

**SIMILAR RESOLUTIONS:** The decision on a resolution shall be held to determine the issue of any similar resolution.

**DECISION:** Decisions will be made by a show of hands. In the event of the Cathaoirleach being unable to decide the outcome of any vote, a count will be made by the Tellers.

**RELEVANCE:** If any delegate is directed by the Cathaoirleach to cease speaking on grounds of irrelevancy, he must do so forthwith. The Cathaoirleach's decision on matters of relevancy is final.
