## A WELCOME FROM BRIAN LENIHAN

As President of Shelbourne Football Club it is my great pleasure to welcome you here to Tolka Park tonight for the first in a series of glittering pre-season challenge matches scheduled for Tolka.

It is my particular pleasure to welcome the Officials, Players and Supporters of Tottenham Hotspurs to Dublin. Spurs enjoy a tremendously loyal following here in Ireland and with good reason too. Down through the years they have played a brand of attacking football that has been a great treat to watch. I remember their great League and Cup double winning side of the early sixties and certainly those of us old enough to remember will never forget the likes of Danny Blanchflower and Co. Then of course there was Jimmy Greaves and Alan Gilzean who were followed by the great Martin Chivers. Other great names such as Pat Jennings and Gary Lineker and our own Chris Hughton also spring to mind. And I can't leave out the one and only Gazza ! Tonight Spurs come to Dublin with a collection of new stars including Nick Barnby who was such a success last season.

But of course most eyes will focus on Ossie Ardiles who is back here in Dublin taking charge of Tottenham for the very first time. It is a remarkable coincidence that he played his first game for Spurs also in Dublin back in 1978. I would like to take this opportunity to wish Ossie all the very best in his new position and also to extend very best wishes to two Irishmen - Pat Jennings and Chris Hughton - who have joined the White Hart Lane coaching staff.

Tonights game is a fund raiser for The Fianna Fáil Party. I would like to thank you for supporting tonight's event. As you know each of the political parties in Ireland has to fund itself from voluntary contributions and by paying your subscription to tonight's game you are making a worthwhile contribution to the democratic process.

Enjoy the match !

## A MESSAGE FROM THE MANAGER

PAT BYRNE introduces a new season at Shelbourne.

Welcome back to Tolka Park. It is my pleasure to extend a particular welcome to our own supporters and I very much hope that we can continue on the successful path established over the past few seasons.

With the Europeans Cup Winners Cup just around the corner, tonight's match against Spurs takes on a far greater significance. We started back in training at the end of last week but I am happy to report that the players kept themselves very fit during the off-season so starting out again has proved less difficult than it otherwise might have! We are very lucky to have such a dedicated group of players at Shelbourne just now and I know that each of them is anxious to give a very good account of themselves this evening.

I am particularly proud of the role that Shelbourne has played in bringing to Tolka many of the best sides in Britain over the past few seasons and we intend to provide our fans with more of the very best over the coming season. Tonight it is the turn of Spurs to visit us and it is a particular honour to welcome Ossie Ardiles here as manager of Tottenham - although he was here a couple of seasons back when he was in charge of Swindon. As this is his first match in charge he will be anxious to get off to a winning start but naturally I will be anxious not to oblige!

On a personal level I am looking forward to meeting up with Chris Hughton who has given such outstanding service to Irish football and I know that you will give him a very special welcome tonight.

I hope that you enjoy the evening with us and that tonight is the start of yet another successful season both for Shelbourne and for Spurs. I cannot be fairer than that!

### TOUR GAMES - PRE-SEASON 1993/94

#### Ossie Ardiles - Manager

I remember my first game in Ireland very well, because it was my first match for Spurs, against Bohemians in August, 1978, and the reception we received was of a different class.

Spurs won that game 4 - 0 with Glenn Hoddle, Gerry Armstrong, Ian Moores and Peter Taylor scoring the goals. I played alongside Ricky Villa, just weeks after we both signed for the club.

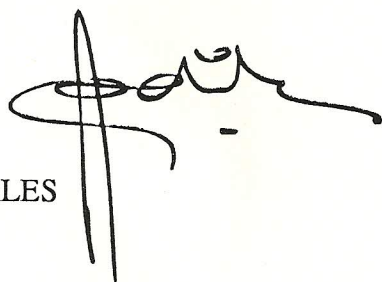

Ireland is a beautiful country and I have been back many times since then. Everybody I have met has been very friendly and really made me feel at home.

Whenever I have been here before with the club we have had a good time, and we are hoping to repeat that on this occasion. I am certainly thrilled to be returning now as the manager of Spurs.

These matches are of special importance to me because I am still getting to know all the players. The games are vital in our preparations, as we continue to shape the side for the start of the season on August 14.

Today is also a great opportunity for all you Spurs fans living here to see your favourite team. I am sure you will enjoy the game and we are delighted to be here.

It was a good omen for me when I played my first game in Ireland in 1978, and I hope it is going to be the same for me as manager.
