MARTIN DOLPHIN MEETS

REACTIONARY ARROGANCE WITH

REVOLUTIONARY ARROGANCE

The threat to invoke the Offences Against the State Act and internment is further indication of the total isolation of British Imperialism and its agents - Lynch's government . This threat is in fact no more than would be expected because of the decay of British Imperialism and their necessity to resort to growing fascist suppression . This trampling on the people's democratic rights has in fact been going on for a long time now . For example - the continuous harassment and raiding of anti-imperialist groups ; the attacks on the sale of communist and anti-imperialist literature, especially on Red Patriot ; the blatantly engineered attacks on the Cork and Limerick branches of Progressive Books and Periodicals ; the sentencing of Comrade Mike Hehir to 4 months for selling communist literature ; and in particular the incarceration of Comrade Martin Dolphin in the Criminal Mental Hospital - WITHOUT TRIAL - for a total sentence now standing at 3½ months. Comrade Martin is the first internment of the period marking the complete downfall of Lynch and his British Imperialist masters and the total victory of the people .

Comrade Martin Dolphin , staunch communist fighter of Irish Revolutionary Youth , who successfully denounced that sacred cow of British Imperialism and the Irish comprador

class - Traitor deValera , and then bravely denounced the trumped-up charges and the anti-people nature of the bourgeois courts , is fearlessly continuing his struggle inside the Central Mental Hospital, Dundrum, where he has served a 10 weeks unjust detention and is now ordered to be detained for a further 2 months .

Comrade Martin sent this message from the Central Mental Hospital :
"LIFTING A ROCK ONLY TO DROP IT ON ONE'S OWN FEET" IS A CHINESE FOLK SAYING TO DESCRIBE THE BEHAVIOUR OF CERTAIN FOOLS . THE REACTIONARIES IN ALL COUNTRIES ARE FOOLS OF THIS KIND. IN THE FINAL ANALYSIS, THEIR PERSECUTION OF THE REVOLUTIONARY PEOPLE ONLY SERVES TO ACCELERATE THE PEOPLE'S REVOLUTIONS ON A BROAD-ER AND MORE INTENSE SCALE . DID NOT THE PERSECUTION OF THE REVOLUTIONARY PEOPLE BY THE TSAR OF RUSSIA AND BY CHIANG KAI-SHEK PERFORM THIS FUNCTION IN THE GREAT RUSSIAN AND CHINESE REVOLUTIONS ?

and says that reactionary plans of lackey Lynch and his cohorts to fascistically suppress his ardent stand in support of the revolutionary struggle of the people of Ireland and the whole world has made him more determined to fight to

the end all reactionaries and establish genuine democracy and socialism in Ireland.

Comrade Martin is a good pupil of Chairman Mao , and knows that revolutionary sentiment alone is not enough but that it is crucial to "wage class struggle on the ideological front " ,

NEWS FLASH:

A recent message received from Comrade Martin showed him to be in fine fighting spirits after a determined effort by "a member of the Comprador Bourgeoisie" to try and undermine him.

The message stated that on December 3rd , the date he was meant to return to the fascist court to have the trumped-up charges tried , he was made an offer that all the charges would be dropped IF HE WOULD "RECOGNISE THE COURT" - but if he did not he would be confined to the "Mental Hospital" . Comrade Martin militantly denounced this bourgeois blackmail as an effort to undermine his struggle and militantly stated that he would NOT recognise the bourgeois courts !

MEET REACTIONARY ARROGANCE WITH REVOLUTIONARY ARROGANCE OF THE PEOPLE

STATEMENT ISSUED (19th DECEMBER) BY THE COMMUNIST PARTY OF IRELAND (MARXIST-LENINIST)

A few days ago, the lackey Fianna Fail Party formally acknowledged the stage of its isolation from the broad masses and acknowledged the fact that it is practically without support amongst the people. This was a bright day for the working and oppressed people of Ireland and a bleak day for the imperialists and all their flunkies.

The flimsy bluster of Lynch signifies that imperialism is fast coming to its doom in Ireland - and that the forces of progress and socialism are definitely advancing to victory. The reactionary arrogance of Lynch scares none of the oppressed people and true revolutionaries and in fact it has the effect of stimulating even more revolutionary arrogance as a weapon of the people and even more vigorous and more clear-cut anti-imperialist activities.

While a number of people are going around in a panic at the threat of internment and confusing people by making out that suddenly out of nowhere that the government is threatening fascism - the broad masses and the communist revolutionaries are staunchly consolidating their ranks by developing mass discussion on the basic issues and pointing out the inherent nature of imperialism and the inevitable attempt at vicious suppression in its death-bed struggle.

The people and the communist revolutionaries know that the government has never tolerated genuine opposition and that it has already begun interning people. Martin Dolphin is the first interned person in the

as the Great Proletarian Cultural Revolution taught. In other words, to continuously strive to follow the scientific concept of Marxism-Leninism-MaoTseTung Thought and thereby to revolutionise his thinking and transform his work.

In this way Comrade Martin has grasped Chairman Mao's Solemn May 20th Statement well; he knows that because "U.S. IMPERIALISM, WHICH LOOKS LIKE HUGE MONSTER, IS IN ESSENCE A PAPER LION, NOW IN THE THROES OF ITS DEATH-BED STRUGGLE."

and that

"THE PEOPLE OF A SMALL COUNTRY CAN CERTAINLY DEFEAT AGGRESSION BY A BIG COUNTRY, IF ONLY THEY DARE TO RISE IN STRUGGLE, TAKE UP A BATTLE, AND GRASP IN THEIR OWN HANDS THEIR DESTINY."

is now time, as Chairman Mao has directed, for the people of the whole world, led by the People's Republic of China, to unite more closely and rise to defeat once and for all U.S. imperialism and all its dependent imperialisms such as British Imperialism.

Thus he is equipped not only with revolutionary sentiment, but also a scientific grasp of the contradictions in the world and their stage of development. This is why he gives a good ex-

era of final collapse of imperialism and he along with Mike Hehir are revolutionaries of a new type who will definitely help to lead the Irish people to inevitable victory.

Martin Dolphin was in typical fashion unjustly arrested while denouncing traitor deValera at the time when he was having talks with the fascist Nixon. He very correctly denounced the courts and their trumped up charges, for continuing their role of suppressing revolution at all costs. For this he has been interned in Dundrum Mental Hospital without even appearing in court for at least three and a half months. Martin recently sent the message "Lifting a rock to drop it on one's own feet, is an old Chinese folk saying to describe certain fools. The reactionaries of all countries are fools of this kind". He is upholding the true proletarian spirit of absolute resistance to bourgeois courts and suppression. He recently refused an offer to have all his charges dropped if he would only recognise the court.

Mike Hehir has been given 4 months for selling Quotations from Chairman Mao and Red Patriot in Galway and he has received support from the militant people of Connaught. He is at present on hunger strike to show his opposition to the prison authorities' refusal to allow the works of Chairman Mao to him.

The fight for the right to disseminate Mao TseTung Thought and absolute and uncompromising opposition to bourgeois courts and all fascist suppression is the highest

ample to the youth and to all the people of Ireland how to deal with the fascist internment policies of Lynch.

In the court after he was arrested, rather than plead for leniency from the fascist judge or ask for 'defence' from a solicitor, Comrade Martin jumped to his feet to denounce the judge, oppose the anti-people nature of the courts and their service to ruling class and British Imperialism, and upheld the correctness of unleashing mass criticism of sacred cow Traitor deValera, preparing for his ultimate overthrow.

He refused to have anything to do with the courts further or come to terms with their terms of reference at all, thus giving the correct example of active resistance and clearly exposing the anti-people nature of the state internment machine. Unlike various so-called friends of the Left, who are in fact no more than outright Imperialist hacks and pessimists - who plead for leniency and discourage the people from rising up, Comrade Martin's active stand terrifies the reactionary forces - Lackey Lynch and his government, the judges and the Gardai who 'BECOME PANIC-STRICKEN AT THE MERE RUSTLE OF THE LEAVES IN THE WIND'. It inspires the broad masses that now is the time to say no to the fascist courts and internment measures and to develop active resistance from a low level to a high level.

In the prison where Comrade Martin was

level of resistance to imperialism at this stage. It opposes the reactionary lines pedalled of compromise with the bourgeoisie - of opposing the bourgeoisie in words but in practice supporting and participating in their courts and parliaments and other reactionary institutions.

The need now is to meet reactionary arrogance with invincible revolutionary arrogance and to advance the resistance movement forward to the new level where the future attempts at internment can be surmounted. This can be done by developing mass democracy on an even broader and more daring scale and exposing the essence of imperialism, and pointing out the need to have no compromise with its reactionary courts and institutions. We must oppose all liberal sellouts and fraudulent compromises with the bourgeoisie.

ADVANCE THE RESISTANCE MOVEMENT TO THE NEW STAGE !

incarcerated before trial and whilst officially on bail, having been jumped by the fascist Gardai after leaving the court, Comrade Martin steadfastly refused to co-operate and went on hunger strike. He opposed the line that one should "look after oneself in jail", "be nice or they can beat you up" and "there is nothing to be gained from fighting here", and instead again took heroic action which inspired many other prisoners and broad sections of the working people to increase their active resistance to British Imperialist control and at the same time, terrified the reactionaries even further.

In fact, so scared were they after their sacred cow and traitor deValera had been denounced by Comrades Ros Michel and Martin Dolphin, and after their militant stands in court and jail, that they had to resort to still more desperate measures. "MAKE TROUBLE, FAIL, MAKE TROUBLE AGAIN...TILL THEIR DOOM. THAT IS THE LOGIC OF THE IMPERIALISTS AND ALL REACTIONARIES THE WORLD OVER IN DEALING WITH THE PEOPLES' CAUSE, AND THEY WILL NEVER GO AGAINST THIS LOGIC."

It was their own downfall when they took Comrade Martin off to the Central Mental Hospital. Since then Comrade Martin has con-

Revolutionary People of Cork Fascist attacks on Revolutionary Bookshop

NEWS REPORT, FRIDAY DEC. 4th.

The attack on Progressive Books & Periodicals, 1 Cattlemarket Sq. Cork, engineered by the lackeys of British imperialism in Ireland, Lynch and the rest of the Irish Compradors, has been meeting with continuing and growing resistance from the revolutionary people of Cork in defence of their treasured bookstore. Following the attack and eviction on Friday morning many people came forward to express their support for the bookstore and in the tit-for-tat struggle put up by the proprietor against the fascist police and bailiffs. Wide-scale propaganda has been done over the last few months for resolute resistance to all attacks on the peoples democratic rights and for the basic right of all working and oppressed people, THE RIGHT TO REBEL AGAINST REACTIONARIES. This propaganda has resulted in many people coming forward to participate in the day-to-day struggle against the concrete manifestations of fascism. Following the attacks on Friday morning reports were received that groups of progressive and democratic people had attacked 2 local police stations and broken their windows and also that a revolutionary slogan "DEATH TO FASCIST POLICE" was written on the walls of one of them.

The struggle for the right to disseminate revolutionary literature and for the right to organise politically against all fascist rules and regulations of the bourgeois authorities is the main struggle around which the broadest and most principled support is being won. Around this struggle the broadest support can be gained amongst the people for the Resistance Movement against the growing fascism, and with a communist leadership it will advance in a stepwise manner from a low level to a higher level. The struggle for the people's democratic rights in Cork has shown that the line of describing fascism developing and getting 'stronger' and giving militant speeches per se is incorrect and does not arouse the initiative of the masses. In order to advance the RESISTANCE MOVEMENT forward it is necessary to wage actual tit-for-tat struggles, to counter the fascism as it develops. "IF THE ENEMY ATTACKS YOU WITH FISTS, REPLY WITH FISTS; IF THE ENEMY PREFERS STICKS, DO NOT HESITATE, AND IF GUNS ARE THEIR WEAPONS MATCH THEM WITH OUR OWN GUNS" (Comrade Robert A. Cruise, leading spokesman of the Communist Party of Canada (Marxist-Leninist)) It is necessary to apply Mao TseTung Thought to steel oneself in the service of the people in the spirit of fearing neither hardship nor death.

In opposition to this, the incorrect trend of the Holy Alliance of revisionists, trotskysts, and social democrats of all hues and colours depends solely on the spontaneous consciousness of the people for it's support and makes an isolated issue of each manifestation of the growing fascism in the country. Many of these people who get excited about housing, or at present the internment threats, were nowhere to be seen when the actual fascism was being developed in Cork and the revolutionary bookshop was being attacked. They use their revolutionary phraseology to try to confuse the people and won't fight on a day-to-day basis against the fascist suppression which the broad masses know is going on.

The struggles of the people in Cork in defence of Progressive Books and Periodicals has shown that the widescale dissemination of Mao TseTung Thought and the organising to defend that right from all fascist attacks by the state machine is the only way the initiative of the people can be released. Wherever they followed

the other line they inevitably fell into the role of 'heroes', divorced from the struggles of the people. The struggle for people's democratic rights not only in Cork but throughout the whole country, centres around whether we raise the spontaneous struggles of the people, who are daily in various ways trying to overthrow British Imperialist rule in Ireland to the level or consciousness, organised, resistance led by the Communist Party of Ireland (Marxist-Leninist) and this depends on STILL FURTHER AND WIDER DISSEMINATION OF MAO TSE-TUNG THOUGHT.

STATEMENT OF PROGRESSIVE BOOKS AND PERIODICALS, CORK.
OPPOSE ANTI-PEOPLE COURTS! PROGRESSIVE BOOKS AND PERIODICALS, CORK, EVICTED IN BOGUS COURT CASE, AND BY FASCIST POLICE ATTACKS!

"Make trouble, fail, make trouble again, fail again... till their doom. That is the logic of the imperialists and all reactionaries the world over in dealing with the peoples' cause, and they will never go against this logic. This is a Marxist law. When we say 'imperialism is ferocious', we mean that it's nature will never change, that the imperialists will never lay down their butcher knives, that they will never become Buddhas till their doom.

Fight, fail, fight again, fail again, fight again... till their victory, that is the logic of the people, and they too will never go against this logic. This is another Marxist law. The Russian peoples' revolution followed this law, and so has the Chinese peoples' revolution. " -- Chairman Mao TseTung --

Everyday in Ireland, and in Cork in particular, the anti-people state courts are continually suppressing peoples democratic rights.

More and more the pretext of so-called 'law and order' is being used by the bourgeoisie and their lackeys to unleash fascism in a vain attempt to stop the spread of Marxism-Leninism, Mao TseTung Thought. Progressive Books and Periodicals state that peoples' democratic rights are not negotiable, and we have utter contempt for the kangaroo state courts. The people of Ireland have the right to overthrow their oppressors and to organise accordingly. The Cork people have already proved this in their revolutionary history when they refused to sit and negotiate with their oppressors, but instead took up pikes and guns to drive the English ruling class out of Ireland. The bourgeoisie are well aware that all revolutionaries refuse to bargain with them in their corrupt courts over the peoples democratic rights, but instead will wage a fierce tit-for-tat struggle against this state apparatus of oppression.

Chairman Mao, in his May 20th solemn statement, says that all reactionaries become panic-stricken at the mere rustle of leaves in the wind, and the lackey court judges are no exception. Scared by the amount of revolutionary posters and slogans all over the city and by the sentiment of the people towards Progressive Books and Periodicals, they engineered to hold the case behind closed doors. In various ways they attempted to rush the case through the court in the vain hope of hiding their anti-people nature. Firstly they organised to put the case first on the day, instead of 5th as originally listed, hoping that no one would be there to witness this farce of bourgeois democracy. Spectators sympathetic to the bookshop were not allowed in the court while the case was on, and the judge refused to allow the proprietor of Progressive Books and Periodicals speak, telling him that he was not a lawyer and he had no authority to speak. When the

proprietor refused to be cowed by this and denounced the judge for his stand on the judge's orders he was dragged from the court by 2 policemen. The judge then continued the case, and without hearing any evidence for the bookshop, arbitrarily awarded an order restoring possession, with costs to the landlord - as if this could stop the dissemination of Mao TseTung Thought! All he is doing is digging his own grave for Chairman Mao says that "where there is oppression there is resistance, and where there is more oppression there is more resistance".

The fascist police and their lackeys the bailiffs, know the truth of this statement, and they were so scared by our determination to defy all difficulties to defend the peoples' treasure bookshop against any attacks that when they came to evict us, on Friday morning 4th Dec., they sent 2 squad cars of police plus special branch police to back up the bailiffs in their fascist attacks against the one staunch communist who was defending the bookshop. They needed all the support they could to break down the door and in their cowardly attack on the communist, who refused to be daunted and waged a tit-for-tat struggle with them. In spite of intimidations and beatings on the way to the police station, where they attempted to question him, he continued to denounce them, and loudly shouted "LONG LIVE CHAIRMAN MAO!", striking terror into their hearts, for they know that loyal followers of Chairman Mao fear neither hardship nor death and under the leadership of the Communist Party of Ireland (M-L) are pledged to work for the overthrow of exploitation and slavery and build a genuinely democratic and communist Peoples' Republic of Ireland.

Progressive Books and Periodicals will continue to follow the call of the Communist Party of Ireland (M-L) and will persist in vigorously disseminating Mao TseTung Thought throughout Cork city and county.

COMRADE MIKE HEHIR CONTINUES TO WAGE TIT-FOR-TAT STRUGGLES INSIDE BOURGEOIS JAILS

19th December.

Comrade Mike Hehir, National Spokesman for the Communist Party of Ireland (Marxist-Leninist), is on hunger strike in Mountjoy Jail, Dublin. In the fighting spirit that he has upheld right from the time of his arrest in Eyre Square, Galway on July 3rd while defending his right to disseminate Red Patriot and Quotations from Chairman Mao TseTung, he has begun a hungerstrike on December 3rd in support of his demand to read revolutionary literature in jail.

We have received this letter from Comrade Mike:

B Wing
Fascist Prison
Mountjoy,
Dublin.
2-12-70.

Dear Comrades,

Since I got in here on 27th I have been demanding revolutionary literature which I had on my possession. (One copy of Chairman Mao's Quotations). This has been denied by the lackey prison authorities in close collaboration with the Dept. of Justice.

Much angered by this arrogance and much encouraged by the enthusiasm of the prisoners to read Chairman Mao's works, and the regular news of the Irish Revolution in Red Patriot, I have decided to begin a hunger strike. Until I am allowed to have revolutionary literature (Chairman Mao's little Red Book, Red Patriot, and progressive journals like Literature and Ideology, MassLine in Medicine, etc.), I will not eat or drink anything except water and salt.

This hunger strike starts on 3rd December.

Yours Fraternally,
Mike Hehir,
National Spokesman of the Communist Party of Ireland (Marxist-Leninist).

ADVANCE THE RESISTANCE MOVEMENT!
THE RESISTANCE INSIDE THE JAILS IS GROWING HAND IN HAND WITH THE RESISTANCE OUTSIDE.

LONG LIVE CHAIRMAN MAO!
LONG LIVE THE COMMUNIST PARTY OF IRELAND (MARXIST-LENINIST)!

Comrade Mike, as a true son of the working and oppressed people of Ireland has been in the forefront of the widescale dissemination of Mao TseTung Thought. As a young man in the university he resolutely decided to serve the interests of the people in overthrowing U.S. and British Imperialism and upholding the great red banner of Mao TseTung Thought. He has seen from his own experience that every day the Irish people are in various ways fighting overthrow British Imperialism and its Irish compradors and that the most principled and correct way that the initiative of the masses can be released in achieving their goal - the dictatorship of the proletariat - is through the widescale dissemination of the revolutionary ideology of the proletariat, Marxism - Leninism - Mao TseTung Thought.

He has at all times staunchly stood up to uphold the right of the people to disseminate the revolutionary literature and to organise in defence of that right against all fascist attacks by the bourgeois state. As a member of the first Irish Revolutionary Youth Mao TseTung Thought Propaganda Team, he has carried the fighting spirit of a communist into the once red heart of the corrupt bourgeois legal system. Last Easter he actively participated in fighting off fascist attacks in O'Connell

Street, Dublin and carried on the tit-for-tat struggle to expose the growing fascism in Ireland as a paper tiger, right into the courts and jails. After refusing to sign a black-mail bond 'to keep the peace' i.e. peace for the imperialists to continue to exploit and oppress with no opposition, he led a Mao TseTung Thought Propaganda Team around the Galway area, and persisted in arming the masses with the revolutionary ideology in the face of intimidation by the lackey police. It was due to this revolutionary persistence in defending the right to distribute revolutionary literature that the fascist police and special branch men arrested him.

When the trial came up first after 4 months remand, on November 5th over 200 students came to the courtroom to voice their support for comrade Mike's just struggle and to denounce the anti-people courts. In an effort to suppress the enthusiasm of the students for mass democratic discussion - SEEK TRUTH FROM FACTS TO SERVE PEOPLE - and not to expose their mass bureaucratic method of concocting lies to suppress the people, the fascist judge de Burca delayed the 'trial' 4 times during the day, and eventually remanded it. When on the following week the trial came up again, 200 anti-fascist students were again present. When Comrade Mike exposed the lies that were being concocted and rightly denounced one garda as a 'liar', true to the form of the fascist courts he was given 1 week contempt of court. With the fascist nature of the court exposed, the lackey police baton-charged the revolutionary people in the courtroom, and following a tit-for-tat struggle Comrade

Roisin Moran was arrested on a charge of "assaulting a police officer". The following week both comrades were fined, Comrade Mike to get 4 months in default of payment, and Comrade Roisin 1 month. Both comrades have resolutely announced that they have 'no intention of paying the ransom money to the reactionary state'. Fearful of the widespread sentiment amongst the people and of the further dissemination of Mao TseTung Thought the reactionaries plotted to arrest Comrade Mike the following day in a shop when he was alone - on the charges arising out of the trial last Easter.

The consistent struggle put up by Comrade Mike for the right to disseminate Mao TseTung Thought has been winning the broadest support in Galway. It has greatly enlightened the people as to the erroneous lines which are consistently put forward by student hacks in the universities to subvert the anti-imperialist sentiment there. These hacks tried to make the issue one of "police brutality" when the students were attacked. This temporarily confused the relationship between the state and its employment at any cost of thugs to defend its interest. Then some people tried to say that the particular attack on Comrade Mike was an isolated incident which was very bad and which the police should apologise for. They tried to confuse the relationship between the arrest of Comrade Mike and the dissemination of Mao TseTung Thought, which comprehensively analyses and gives guidelines to the worlds peoples' struggle for liberation.

Their tactics of making a secondary issue a primary one and of organising the people to ask the bourgeoisie to behave instead of acknowledging its origins and history and organising to overthrow its influence,

have been greatly exposed by Comrade Mike's fight to uphold the right to disseminate Mao TseTung Thought at all costs.

The resolute struggle of Comrade Mike has shown him to be a revolutionary of a new type, living in the era of Mao TseTung Thought, who persists in the dissemination of revolutionary ideology even in the most difficult of circumstances. This work, closely linked with the mass democratic struggles of the Irish people against the paper tiger nature of the growing fascism of the Irish Comprador class, will eventually bring about the downfall of British Imperialism in Ireland.
